**APPLIED BEHAVIOUR
ANALYSIS (ABA)
INFORMATION DAY**

For university students:

- studying in an area such as psychology, speech, OT etc.;
- interested in part-time work in a home-based ABA program; and
- wishing to eventually embark on a career in the area.

Sunday, 3rd October 2004

9.00am – 5.00pm

The program

- Information about autism
- ABA theory and hands-on practice
- ABC of behaviour management
- Helping a child with autism at a mainstream school
- Viewpoints from parents and ABA therapists

The presenters

Presenters will include the following experienced professionals:

- Leslie Workmon - Clinical Director ABAQ
- Kathleen Davey - Early Childhood Intervention Psychologist, NSW Govt.
- Tracey Grose – Behaviour therapist, Autism Queensland
- Mogens Johansen - Psychologist

Also a parent of a child with autism will share her experience and expectations at the seminar.

What's in it for you?

Students who are interested in a career working with children with autism will learn more about this field. You should attend if you are looking for casual employment within a home-based ABA program. After attending this workshop, you will be on the ABIQ's therapist register, from which potential employers will recruit for their ABA programs.

RSVP by 27th Sept. 2004

Numbers will be limited to 35 participants.

To ensure your place, and to confirm location for the day, you must RSVP as early as possible.
