What's in it for you?

Parents/carers will find out more about ABA programs from experienced service providers, teaching assistants, and other families. It is an opportunity to ask face-to-face questions.

Students will learn more about working in ABA programs from a Behavioural Analyst and experienced teaching assistants. You should attend if you are looking for casual employment within a home based ABA program. After attending this workshop, you may register your interest on an ABIQ data base, from which families recruit staff for their ABA programs.
