

AUTISM BEHAVIOURAL INTERVENTION QUEENSLAND
Inc Assn. IA 19794 ABN: 21 344 641 592

ABIQ is pleased to host an
APPLIED BEHAVIOUR ANALYSIS (ABA)
Information Seminar
presented by

*Ren Sculthorpe – Clinical and Developmental Psychologist,
Spectrum Psychology*

Ren Sculthorpe is a Clinical and Developmental Psychologist. Ren has over six years experience as an ABA therapist and consultant, receiving supervision from Early Autism project Sydney and London, and UK Young Autism Project. In addition to ABA services, Ren provides play therapy, friendship group programs and anger and anxiety management for children with development delays. Ren is trained in the Picture Exchange Communication System, and child directed play therapy. Ren is registered with private health funds and Medicare as an eligible provider of specialist psychology services.

Target Audience:

- University students studying in an area such as psychology, speech therapy, occupational therapy, or education interested in part-time work in a home-based ABA program and/ or wishing to eventually embark on a career in the field of autism.
- Parents of children with autism or related disorders.

Topics will include:

Information about autism
ABA theory and practice
ABC of behaviour management
Working in a home-based program or school environment

Date: Sunday 21 October 2007
Time: 9:00am – 1.00pm
Venue: QUT, Kelvin Grove Campus, Room N 518
Cost: Free entry, but please register your attendance by phone or email. Places are limited so please register early!
