

AUTISM BEHAVIOURAL INTERVENTION QUEENSLAND
Inc Assn. IA 19794 ABN: 21 344 641 592

ABIQ is pleased to host an
APPLIED BEHAVIOUR ANALYSIS (ABA)
Information Seminar
presented by

Leslie Workmon – Behavioural Analyst and Speech Therapist

Leslie has fifteen years experience as a behavioural Analyst, training in the United States and founding ABAQ in Brisbane. She oversees ABA programs in Brisbane and now has her Speech Therapist qualifications.

Maria Carroll – Parent

Maria is a mother of a 14 year old boy. She lives in Brisbane and implemented a home based ABA program for her son in his early childhood. She now oversees his attendance at high school.

Target Audience:

- Teachers, teacher aides, speech therapists and medical professionals supporting children with autism.
- Parents of children with autism or related disorders.

Topics will include:

Information about autism
ABA theory and practice
Behaviour management techniques
Working in a home-based program or school environment
A parents perspective
